This instruction replaces MS 11/06E Rev A dated 2007-02-23

Expiry dates on safety devices

The sign on the safety device has been changed. The new design is shown below.

The certificate No., which is related to the safety device, will be engraved at the bottom of the sign. The same sign will be used for Ex-classified safety devices.

The expiry date will be five (5) years from the manufacturing date **or four (4) years from the first drop test, whichever comes first.**

Full warranty is given until the expiry date is reached.

Please forward this instruction to all people concerned before inserting it in your Service Manual under index 2, Service Instructions!
